"Let's break up!"
That's what Kuroki told Satsuki.
Was the love Kuroki had for Satsuki only selfishness towards Shiryu? Shiryu, on the other hand, gently consoles the sobbing Satsuki. Suddenly, he declares that he wants to "dominate" her, in front of Kuroki!
Kuroki insists on being the street fighter he was in his scary wild days.
Even though he coldly pushes Satsuki away and tells her they can't return to how things were before, she doesn't seem to learn. So, he forcibly pushes her down and tells her he'll make a mess of her.

Greetings!

Thank you for getting
ahead of volume 2 of *Tamashii Patrol*, which is my
third manga and first novel! My name is Kikoro.

When I saw my name on the manga release schedule, I was
really able to realize that everything wasn't a dream, though
I'm still not used to the happiness. I'm also not used to the
happy fact that it's being serialized. When working on volume 1,
I still worried about how I looked somewhat, but lately I don't worry
much about my personal appearance at all. (Tara) huh.
Even though I'm an adult...

*I can go to the convenience store without any make-up on

*I can go out wearing a baseball

*I'm only totally made-up once every month. (Sakurako)

I'm getting farther and farther away from being someone, but I'm
pouring my heart into my manga!

I worked as hard as I could to unfold a Kikoro-like "dangerous" one!
in volume two so please and please enjoy it until the end.

January 2010 Kikoro Again
